

Rentin Group One-Pager (Investor Overview)

Name: Rentin Group

Founders: Adebisi Ayobami (Tech Developer & Creative Visionary)

Edward Esedo (Tech Developer & Experiential Director)

Who We Are

Rentin Group is a multi-industry investment brand curating profitable ventures across:

- Entertainment: Event centers, lounges, clubs, hotels, music, arts, and cinema.
- Real Estate: Short-let apartments, rental apartments, lifestyle properties, and boutique hotels.
- Sport & Fitness: Gyms, wellness centers, and local sporting hubs.
- Fashion & Culture: Pop-ups, labels, markets, and showrooms.
- Tourism: Local experiences, open-air destinations, food culture.
- Tech: Real estate-tech and entertainment-tech innovations.

Our Track Record

- Escobar 1814 Nightclub (Jibowu, Yaba): One of the hottest 2023-2024 spots during Lagos nightlife resurgence.
- Skydeck Rooftop (Shomolu/Bariga): Rooftop party venue with consistent weekend bookings and influencer campaigns.
- Project Pipeline:
- Asolo Event Park – Open-air concert + lounge + kitchen experience launching in Ikorodu.

Why This Works

- Lagos + Abuja Are Growing Fast: Urban migration and Gen Z + Millennial spending drive lifestyle investments.
- Short-Lets Are in Demand: 82% occupancy in Lagos short-let apartments during December 2023 (Shirley Properties + other operators).
- Nightlife Is Bankable: Clubs, lounges, and bars are booking out Fridays–Sundays with increasing corporate and influencer-led events.
- Diversified Risk: Our model spreads risk across real estate, entertainment, and experiential projects.

Vision

To become Nigeria's most culturally-aligned, data-driven lifestyle investment company—curating places people love, and making returns investors can rely on.
